(b) In the case of a vehicle that is acquired, or brought into the state, or for any other reason becomes subject to registration after January 1 of any year, then the owner may pay the applicable registration fee on the vehicle as provided in the motor vehicle registration laws and any excise tax due on the vehicle for the remainder of the annual registration year and simultaneously register the vehicle and pay the applicable registration fee and the excise tax due for the next succeeding annual registration year.

(c) Except as provided in subsection (f), no reduction in the applicable annual excise tax will be allowed to an Indiana resident applicant upon registration of any vehicle that was owned by the applicant on or prior to the registrant's annual registration period. A vehicle owned by an Indiana resident applicant that was located in and registered for use in another state during the same calendar year shall be entitled to the same reduction when registered in Indiana.

(d) The owner of a vehicle who sells the vehicle in a year in which the owner has paid the tax imposed by this chapter, shall receive a credit equal to the remainder of:

- (1) the tax paid for the vehicle; reduced by
- (2) ten percent (10%) for each full or partial calendar month that has elapsed in the registrant's annual registration year before the date of the sale.

The credit shall be applied to the tax due on any other vehicle purchased or subsequently registered by the owner in the same registrant's annual registration year. If the credit is not fully used and the amount of the credit remaining is at least four dollars (\$4), the owner is entitled to a refund in the amount of the unused credit. The owner must pay a fee of three dollars (\$3) to the bureau to cover costs of providing the refund, which may be deducted from the refund. The bureau shall issue the refund. (e) Subject to the requirements of subsection (g), the owner of a vehicle that is destroyed in a year in which the owner has paid the tax imposed by this chapter, which vehicle is not replaced by a replacement vehicle for which a credit is issued under this section, shall receive a refund in an amount equal to ten percent (10%) of the tax paid for each full calendar month remaining in the registrant's annual registration year after the date of destruction, but only upon presentation or return to the bureau of the following:

The amount shall be refunded by a warrant issued by the auditor of the county that received the excise tax revenue and shall be paid out of the special account created for settlement of the excise tax collections under IC 6-6-5-10. For purposes of this subsection, a vehicle is considered destroyed if the cost of repair of damages suffered by the vehicle exceeds the vehicle's fair market value.

(f) If the name of the owner of a vehicle is legally changed and the change has caused a change in the owner's annual registration date, the excise tax liability of the owner shall be adjusted as follows:

- (1) If the name change requires the owner to register sooner than the owner would have been required to register if there had been no name change, the owner shall, at the time the name change is reported, be authorized a refund from the county treasurer in the amount of the product of:

- (A) ten percent (10%) of the owner's last preceding annual excise tax liability; and
- (B) the number of full calendar months between the owner's new regular annual registration month and the next succeeding regular annual registration month that is based on the owner's former name.

- (B) the number of full calendar months between the month in which the owner would have been required to register if there had been no name change and the owner's new regular annual registration month.

The license branches may be so utilized in accordance with such procedures, in such manner, and to such extent as the bureau shall deem necessary and proper to implement and effectuate the administration and collection of the excise tax imposed by this chapter. However, in the event the bureau shall utilize such license branches in the collection of excise tax, the following apply:

- (1) The excise taxes so collected by each license branch, less any refunds made by the license branch, shall be deposited daily by the license branch in a separate account in a depository duly designated by the state board of finance. The county treasurer of the county for which the collections are due may withdraw funds from the account at least two (2) times each week. (3) Each license branch shall also report to the bureau all excise taxes collected and refunds made under this chapter in the same manner and at the same time as registration fees are reported.

(4) Premiums for insurance to protect the funds collected by license branches against theft shall be paid by the bureau, except that the bureau may issue blanket coverage for all branches at its discretion. At the discretion of the bureau, the bureau may:

(A) self-insure to cover the activities of the license branches; or

(B) rather than purchase a bond or crime policy for each branch, purchase a single blanket bond or crime insurance policy endorsed to include faithful performance to cover all branches.

(5) If the services of a license branch are used by the bureau in the collection of the excise tax imposed by this chapter, the license branch shall collect the service charge prescribed under IC 9-29 for each vehicle registered upon which an excise tax is collected by that branch.

(6) If the excise tax imposed by this chapter is collected by the department of state revenue, the money collected shall be deposited in the state general fund to the credit of the appropriate county and reported to the bureau of motor vehicles on the first working day following the week of collection. Except as provided in subdivision (7), any amount collected by the department which represents interest or a penalty shall be retained by the department and used to pay its costs of enforcing this chapter.

(A) fails to properly register a vehicle as required by IC 9-18 and pay the tax due under this chapter; and

The total amount collected by the department that represents

C

interest or a penalty, minus a reasonable amount determined by the department to represent its administrative expenses, shall be deposited in the state general fund for the credit of the county in which the person resides. The amount shall be reported to the bureau of motor vehicles on the first working day following the week of collection.

The bureau may contract with a bank card or credit card vendor for acceptance of bank or credit cards. ~~However, if there is a vendor transaction charge or discount fee, whether billed to the bureau or charged directly to the bureau's account, the bureau shall collect from the person using the card an official fee that may not exceed the highest transaction charge or discount fee charged to the bureau by bank or credit card vendors during the most recent collection period. This fee may be collected regardless of retail merchant agreements between the bank and credit card vendors that may prohibit such a fee. The fee is a permitted additional charge under IC 24-4.5-3-202.~~

(b) On or before April 1 of each year the bureau shall provide to the auditor of state the amount of motor vehicle excise taxes collected for each county for the preceding year.

(c) On or before May 10 and November 10 of each year the auditor of state shall distribute to each county one-half (1/2) of:

(1) the amount of delinquent taxes; and

(2) any penalty or interest described in subsection (a)(7);

that have been credited to the county under subsection (a). There is appropriated from the state general fund the amount necessary to make the distributions required by this subsection. The county auditor shall apportion and distribute the delinquent tax distributions to the taxing units in the county at the same time and in the same manner as excise taxes are apportioned and distributed under section 10 of this chapter.

- (2) Apply to all warranty repair orders written while the agreement is in effect.
- (3) At any time during the period the contract is in effect:

- (4) Be for a term not to exceed three (3) years.
- (5) Allow any party to the uniform warranty reimbursement policy to terminate the policy with thirty (30) days prior written notice to all parties upon the annual anniversary of the policy, if the policy is for at least one (1) year.
- (6) Remain in effect for the entire life of the original period if the manufacturer and at least one (1) franchisee remain parties to the policy.

(e) A manufacturer or distributor that enters into a contract with its franchisees under subsection (c) may only seek to recover its costs from a franchisee that receives a higher reimbursement rate, if authorized by law, subject to the following:

- (1) Costs may be recovered only by increasing invoice prices on new vehicles received by the franchisee.
- (2) A manufacturer or distributor may make an exception for vehicles that are titled in the name of a purchaser in another state.

C

P
Y

However, price increases imposed for the purpose of recovering costs imposed by this section may vary from time to time and from model to model and must apply uniformly to all franchisees of the same line make that have requested reimbursement for warranty repairs at a level higher than provided for in the agreement.

(f) A manufacturer or distributor that enters into a contract with its franchisees under subsection (c) shall do the following:

(1) Certify to the ~~bureau~~ **secretary of state** under oath, in a writing signed by a representative of the manufacturer or distributor, that at the time the contract was entered into at least thirty percent (30%) of the franchisees of the line make were parties to the contract.
